

Three Rivers Adoption Council's mission is *to create and provide adoption opportunities and a range of services for all children growing up without permanent, caring families*. Community financial support assists us with being able to continue to provide pre- and post-permanency resources, programs and services to hundreds of adoptive families and waiting children every year.

Thank you for your generosity. Please visit our website at [www.3riversadopt.org](http://www.3riversadopt.org) to learn about other contribution options, special events, volunteer opportunities or to make a secure online donation.
